For people suffering from obesity and related health conditions, weight loss surgery may be the solution. At The Bariatric Center at Carolinas Medical Center-Mercy, we have a team of experts in the field of weight loss surgery. Our multidisciplinary approach includes dedicated surgeons, nurse practitioners, nurses, dietitians, psychologists, bariatric insurance specialists, medical obesity specialists and fitness consultants. **The Bariatric Center at CMC-Mercy is one of the first centers in Charlotte designated as a Center of Excellence by Blue Cross and Blue Shield of North Carolina.** This designation comes as a result of The Bariatric Center's comprehensive pre-operative patient evaluation, excellent surgical outcomes, careful and long-term post-operative patient support and follow-up and continuous improvement of care, outcomes and patient satisfaction.

Attend our free information session and learn about the surgical procedures available as well as our unique approach to post-operative care that includes support group meetings and dietary assistance. We invite you to attend any of our sessions and have your questions about weight loss surgery answered.

For more information or to register for one of our sessions, please call 704-355-9484.

Information sessions last approximately one and a half hours. Space is limited, so please do not bring children. Parking is available in the lot next to the hospital. Once you enter the hospital, follow the signs directing you to the auditorium. Thank you for choosing Carolinas Medical Center-Mercy.
